

28 September-01 October
FIDIC INTERNATIONAL
INFRASTRUCTURE CONFERENCE

Join us from 28 September
– 01 October 2014 in Rio
as FIDIC connects the leading
global players and partners in the
infrastructure and industrial sector
to create innovative sustainable
solutions and business opportunities.

Against the backdrop of the buoyant
Brazilian market and the broader
demands across Latin America, global
cross cutting issues will be explored
in depth by prominent international
experts and industry leaders.
